Sisters and Brothers

On Tuesday, September 27, 2011, from 4:30pm to 6:30pm, the APWU, NALC, NRLCA and the NPMHU, will be participating in the National Day of Action. Because our Congressmen are on board as sponsor's, we will not be at their actual offices, instead we will set up at the Rhode Island State House, South Plaza (Mall side)

The plan is as follows: We will be making sure our Congressmen's support of H.R. 1351 does not waiver with this very Important Postal legislation. Of course your input is valuable and appreciated in all aspects of this action.

We here in Rhode Island are lucky, because both of our Congressional representatives are on board as co-sponsors of resolution 1351. Do not think that because our representatives are on board that there is no need for you show up, on the contrary, it is very important that we all show up as sign of unity for the Sisters and Brothers in those congressional districts across the Nation whose representatives are not co-sponsors as of yet. It also important, that we start to mobilize and motivate the rest of the membership, in order save all of our jobs and the Service that we provide to all Americans every day.

We will have no one to blame but ourselves when our livelihoods and retirements are gone.

For further information on where to go in your Congressional District on September 27, 2011, visit the RI State APWU web page at www.ristateapwu.org or call James at 401-440-4531 .
